DTC Government Solutions Welcomes Lieutenant General Robert Ashley, Jr. (Ret.) to its Board of Directors and Government Security Committee

Ashburn, Va., October 24, 2023 - DTC Government Solutions, a leading provider of innovative software solutions for Intelligence Operations, Defense, and Law Enforcement, is pleased to announce the appointment of Lieutenant General (LTG) Robert Ashley (Retired) to their Board of Directors and Government Security Committee (GSC).

LTG Robert Ashley brings more than 36 years of dedicated United States military active-duty experience to the DTC Government Solutions Board of Directors. His expertise will contribute to the companies' ongoing commitment to excellence and innovation in the field of security and intelligence. Notably, he completed six combat tours in Iraq and Afghanistan, demonstrating his commitment to national security and defense.

Among his many achievements, LTG Ashley became the 21st Director of the Defense Intelligence Agency (DIA), a three-star officer position appointed by the U.S. President and approved by the U.S. Senate. Prior to this role, he served as the Army Deputy Chief of Staff, G-2, where he provided invaluable guidance on intelligence, counterintelligence, and security matters to the Secretary of the Army and the Army Chief of Staff.

"I am looking forward to joining the DTC Government Solutions Board of Directors, working closely with my fellow Board members to carry out DTC's critically important mission of delivering communications to our military, without compromise," said LTG Ashley.

"We are honored to have Robert join our Board of Directors," said Paul Sangster, Division President of Codan Communications and DTC Government Solutions Board Member. "His extensive experience, dedication to public service, and unwavering commitment to National Security will undoubtedly bring invaluable insights and leadership to our organization. We look forward to his guidance and contributions as we continue to execute on our strategic goals."

"An accomplished and admired military leader, Robert has first-hand knowledge of the complex technology needs to ensure the national security and intelligence, along with the safety of our military warfighter," said John Cremins, President, DTC Government Solutions. "His strategic insight, leadership and vision will prove invaluable as DTC Government Solutions continues to advance its innovative solutions offering to meet the communications needs of our U.S. military."

LTG Ashley previously commanded key military units, including the 206th Military Intelligence Battalion at Fort Gordon, Ga., the Intelligence Squadron at the Office of Military Support in Washington, D.C., and the 525th Battlefield Surveillance Brigade (Airborne) under the XVIII Airborne Corps.

His pivotal assignments included serving as the Director of Intelligence for the U.S. Joint Special Operations Command, Director of Intelligence for the U.S. Central Command, Deputy Chief of Staff, Intelligence, for the International Security Assistance Force, and Director of Intelligence for U.S. Forces in Afghanistan. In addition, he served as Commanding General for the U.S. Army Intelligence Center of Excellence (USAICoE) at Fort Huachuca, Ariz.
